

Daffodil International University
Department of Electrical & Electronic Engineering

Notice

Date: 18 July, 2026

All students of the Department of Electrical and Electronic Engineering (EEE) are hereby informed that the **registration for the Mid-Term Overlap/Make-up Examination, Summer-2026** is now open.

Students may apply for registration under the following circumstances, along with appropriate **supporting documents** (where applicable):

- Overlaps in exam routine
- Any other valid reason (Previously informed)

Concerned students are advised to submit their Overlap/Make-up Examination Registration Application (duly signed by the respective course teacher) before the deadline of **20 July 2026** for further approval. Applications submitted after the deadline will not be accepted.

Registration	18-20 July, 2026
--------------	------------------

Course teachers are requested to verify the overlap/medical documents and ensure the validity of the stated reasons before signing the application.

The EEE Office is requested to strictly maintain the registration deadline while accepting the signed applications.
