Notice for Midterm Overlap Examination (Fall 2026)

Students of the Department of Software Engineering are hereby informed that the **Midterm Overlap Examination for Fall 2026** will be conducted in accordance with the main examination schedule. Students are advised to carefully review the Midterm Examination Schedule to identify any overlap examinations.

Students who have overlap examinations are requested to submit their applications through the **SWE Exam Portal by 26 October 2026 (Monday)**.

Please Note:

- Two or three examinations scheduled on the same day but in different time slots will not be considered as overlap exam.
- Students without a valid application will not be allowed to sit for the overlap examination.
- No applications will be accepted after 26 October 2026 (Monday).
- The overlap exam schedule will be published on the **Department Notice Board** and the **SWE Exam Portal** after the application review process.

Any application found to be false or misleading will result in the rejection of the student's answer script by the Examination Committee.

Students are requested to regularly check the **Department Notice Board/SWE Exam Portal** for updates regarding the Overlap Examination Schedule.
