Mr. M Mahbubur Rahman**CEO**

Building Technology and Ideas Limited (bti)

**Professional Biography**

Mr. M Mahbubur Rahman is the Chief Executive Officer of Building Technology and Ideas Limited (bti), one of Bangladesh's pioneering real estate developers, with over 25 years of experience in the industry. Before joining bti, he served as Chief Executive Officer of Rupayan City Uttara, one of the country's largest integrated township developments, and earlier held key leadership positions at Sanmar Properties Limited, where he worked for 11 years, and Asset Developments & Holdings Ltd. Known for his execution-driven leadership style, he has extensive expertise in strategic planning, business transformation, sales and marketing, project delivery, customer experience, and team development, having led large-scale residential, commercial, and township projects throughout his career.

As a member of the Faculty Industry Advisory Board (FBE-IAB), he provides practical industry insights on real estate development, market trends, and business strategy, while supporting curriculum development and stronger university-industry collaboration to enhance graduate employability.
